(E) Application for "2027/28 Registration Certificate for KG admission"

1. Under the Scheme, parents are required to use a valid registration document for K1 registration in the 2027/28 school year. All KGs joining the Scheme (Scheme-KGs) can only admit children holding valid registration documents, i.e. "Registration Certificate for Kindergarten Admission" (hereafter referred to as "RC") or "Kindergarten Admission Pass" (hereafter referred to as "AP").
2. In line with the Government's policy objective of digitalisation of public services, EDB will introduce the electronic "Registration Certificate for Kindergarten Admission" ("e-RC") in the second quarter of 2025. Each e-RC would contain an encrypted QR code. When parents are registering with the KGs, KG staff would only need to scan the QR code on the e-RC and the

registration process will be completed automatically. Hence, KGs would no longer need to collect and keep the RC of their students. Upon completion of the registration process, relevant personal information of the student will be uploaded onto EDB's system automatically. EDB will issue a registration document to each child who can receive education in Hong Kong. Children eligible for receiving subsidy under the Scheme will be issued an e-RC. If a child is not eligible for receiving subsidy under the Scheme¹, an electronic AP ("e-AP") will be issued for registration to a Scheme-KG but the parents concerned are required to pay full school fees (i.e. before deduction of subsidy under the Scheme) as shown on the Fees Certificate of the KG admitting the child.

3. Parents are required to submit an application for the "Registration Certificate for Kindergarten Admission" (hereafter referred as "RC") to EDB from September to November 2026. The "RC" will be open for applications from September 2026. At the same time, EDB will announce and upload the details of application onto EDB's website (<https://www.edb.gov.hk>). Upon receipt of the applications with all necessary information and documents provided, EDB will generally take six to eight weeks to complete processing of the applications and issue the "RC" to applicants who are eligible for receiving subsidy under the Scheme by post. If a student cannot obtain an "RC" as he/she can receive education in Hong Kong but is not eligible for receiving subsidy under the Scheme, EDB will then issue a "Kindergarten Admission Pass" (hereafter referred to as "AP") to the student concerned for registration and admission to a Scheme-KG but the parents concerned are required to pay full school fees before deduction of subsidy under the Scheme as shown on the Fees Certificate of the KG to which the child is admitted.
4. According to the mechanism of the Education Bureau providing free quality kindergarten education, the validity period of the "Registration Certificate" is generally three years. If parents arrange for their children to receive kindergarten education for more than three years, they are generally required to pay the full tuition fee before deduction of the scheme subsidy. Under special circumstances (for example, relevant registered medical practitioners or professionals have certified that the children have special needs, so that their years of study in kindergartens are longer than the normal three years), parents may apply to the Education Bureau to extend the validity period of the "Registration Certificate".

(F) Interview Arrangements

2. The date and time of interview will be notified when the application form is submitted

(H) Announcement of Admission Results and Registration Arrangements

1. We will inform parents of the K1 admission results before **Friday, 11 December 2026**.
2. Successful applicants: Parents should complete the registration procedures for their child from **7-9/1/2027 9:00am to 4:00pm or Saturday, 9/1/2027 9:00am-10:00am** by submitting the QR code on the e-RC the “RC” / “AP” to the kindergarten. The registration fee for **half day class is \$950 and full-time class is \$1500**. The fee will not be refunded after the registration.
3. Withdrawal notice:
Should parents intend to change to another KG after registration, they should allow the KG that they have registered with to scan the QR code on the e-RC in order to cancel the registration. Once the KG scans the QR code on the e-RC to cancel the registration, the KG will no longer keep the school place for that child.
4. Under the 27-28 Education Bureau Quality Kindergarten Education Policy, **half-day classes do not need to pay tuition fees**, full-time classes still need to bear part of the cost, but the tuition fee for the new school year still needs to be approved by the Education Bureau. The exact amount will be notified to parents before new school year opening in September. Parents can still apply for tuition reduction if necessary. (Remarks: The tuition fee for Full-time classes in 25-26 is \$710/ month and the lunch fee is \$556/ month.)
